

Praises

We've been able to reconnect with family, friends, and ministry partners. It's exciting to see what God is doing, not only in Chile, but also here in America as well.

Happy April! We've thoroughly enjoyed getting to be back in the States for a bit before heading back to Chile to start our first church, Joy Baptist. I'm on the internet nearly every day looking for properties, waiting for the Lord to open the right door for us. We've not found the place yet, but I hope to soon!

Would you please pray with us the God will show us exactly where it is He wants us, and that hearts will be ready to hear the gospel?

Meanwhile, in Chile, things are going very well still. Liberty Baptist, where we served the last two years, had a children's VBS (The children go back to school in March from their summer vacation). They had several visitors at the activity, and then many more show up the next day to church.

We also had our annual Multiply Conference, in which the importance of spreading the gospel around the world is emphasized. We know that, while it is important to reach Chile with the gospel, it is the responsibility of all Christians to get the gospel "to the uttermost" as well. We encourage Chilean believers to see their part in making sure all the world has the opportunity to hear the same message they have heard of salvation in Christ. We want to be Christians who multiply ourselves and don't become stagnant.

We're happy to be where are at the moment, but we also can't wait to get back to Chile with the people God has given us to love and serve. Thank you for praying for us and helping us along the way. God bless you all!

Prayer Requests

We're looking for a property for Joy Baptist Church. Please pray that we find the right place in the community where God wants us.

Our visa situation is still pending. It should be resolved within six months or so.
