Jan-March 2024

God is doing wonderful things in 2024 through the ministries of Frontier Baptist Missions, Inc., and you are a vital part of every ministry opportunity through your faithful prayers and financial support!! Please continue to pray as we serve and train Leaders in 18 countries. We trust God for His protection and His provision as we travel, and we give Him the glory that He alone deserves for the fruit He produces.

God has truly blessed our New Semester at Seminario Bautista Trinidad. There is a sweet spirit among the students and a genuine hungry for God's Word. We still record the classes, and then, after editing them, we send them to 7 countries. We presently work with some 400 students preparing for ministry in and through the local church. Please pray for this vital ministry of training future leaders!

We appreciate our friend Missionary Gary Norris for helping us to set up, organize and start the Bible Museum here at FBMI Home Office. May many people that visit the Museum grow in their love for and confidence in the Word of God.

God allowed Deanna and I to visit our first Church Plant in Mexico City, MX, the Iglesia Bautista el Calvario. We enjoyed reconnecting with Pastor Aranday, the family and the church. Five pastors have been ordained in the Gospel Ministry from that local church. Many beautiful memories flooded our hearts as we served there.

Next we travelled to Toluca, MX, where our oldest daughter and her family serve as missionaries. Being with Jonathan and Rebekah Anderson (and our 5 grandchildren) was a tremendous blessing! We preached and served in the three churches that they have planted in Toluca. Meeting New Believers and seeing their hunger for God's Word was refreshing. God honored the preaching, and we witnessed some trusting Jesus Christ as their personal Savior!

God was kind to allow Deanna and I to build some precious memories with our 5 grandchildren in Mexico. It was such a joy to serve alongside them and see God using them in the ministry. Please pray for them, and for their future!
