

Missionary to Peru LAUREN GRANT

Thank you for your prayers and support for the ministry in Arequipa! I pray you had a wonderful month with many opportunities to share the Gospel this resurrection season!

Ministry Opportunities As always, we started the month with our monthly ladies' meeting in Love Baptist, where I had the chance to teach about "belief in Jesus." I also had an opportunity to attend a ladies' meeting in Omega and a Pastors' and leaders' fellowship at Fundamental Baptist Church. Both meetings were times of encouragement and friendship with other believers here in Arequipa.

Start of New School Year March is also the start of the new school year here, so we celebrated the return to school with the children and families of Love Baptist and presented them with a small gift. Please pray that these children and their families would come to know Jesus as their Saviour!

Easter Services Finally, we ended the month with special services to celebrate the Easter holiday season. We hosted a service on Good Friday with a play and song from our youth group. They did a fantastic job, and I am so proud of them. Moreover, there were over 50 people in services that night, with several first-time visitors, all of whom heard the Gospel message. One of these visitors was Viky, the mom of one of the girls I disciple. For nine months, her two youngest daughters have been faithfully attending church, and that Friday, she attended services for the first time! Please pray with me for Viky, her salvation, and her family!

God bless,
Lauren Grant
