VISION
BAPTIST MISSIONS

Dear Pastor and Praying Partners,

We are excited to be back in the flow of things here in Peru and anticipating all God will do in this term! All three of the kids are back in school now, and we have been dedicated to finding a landing spot for Redeemer Baptist Church. We have identified the specific area we want to start in within the larger zone we had previously selected. We have looked at many places and options, but have not yet found the place we believe we are to start. Honestly, it has been frustrating and discouraging as each place we've seen falls short of what we are looking for, but it has been an exercise in trusting that **God will provide** - and we know He will do just that!

In our search for the right place to plant the church we have had input and counsel from both missionary church planters and local pastors. Each has given us wise counsel and insight to help us make an informed and wise decision. We are working hard to find any and all available options, and we are trusting God to lead us to the right one! **Would you please pray with us that God would give us wisdom and that He would provide the right place for us to start?**

Amidst all of the commotion this month we also had a birthday, Hosanna turned 5! Sanna is sweet and generous and always thinking of others. We are thankful that the Lord has entrusted her to us, and we look forward to how He will work in her life. This month all three kids started school also! Corban is only 2, but he started going a few days per week. He makes sure to tell us each day about his favorite subject: lunch!

I had the opportunity to preach at the church of the young man who taught me Spanish. I preached on the change brought about by the death of Christ and the new life we have in Him. Our perception of those around us should no longer be an earthly one, but one that sees their spiritual condition and need. The week leading up to Easter Sunday in Latin America puts on clear display that need for the change that only the gospel can provide. The work is not finished here, and we are asking God to use us greatly to impact lives with the gospel message. Would you pray with us that God would use us as messengers to carry His good news?

As we press forward in hope and expectation we are reminded of all of the ways God has provided up to this point, including bringing us in contact with YOU! Thank you for your faithfulness and prayers for our family.
