

The **SOUTHARDS**

CHURCH PLANTING IN **SOUTH AFRICA**

MARCH 2024

REPORT ON CHURCH PLANT PROGRESS

Newton Park Baptist Church has completed its first month of operation. During this time, we have held several services that have attracted a significant number of first-time visitors, thanks to the effort of our outreach program. Missionary Jeremy Hall kindly allowed me to preach one of the services, and I believe that God used me as his mouthpiece to work in the lives of others. **We are praying God will grow His church!**

PROFESSIONS OF FAITH

Our ministry of helping a youth home called SOS in Port Elizabeth has borne fruit, as **eight youths put their faith in Christ last month**. I have had the privilege of transporting many of these youngsters to church, along with their guardians. We thank God for saving them and ask for your continued prayers for our ministry to the youth.

LANGUAGE OPPORTUNITIES

I have **completed the second of five language books and am almost halfway through the third**. By learning the language, I have shared the gospel in the Xhosa language with the beautiful Xhosa people who need the Lord. Our prayer and desire is **continuous growth in the language to be more effective with the gospel**.

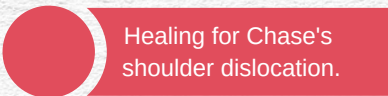

Thank you for your continued support and prayers.
