Frontier Baptist Missions Inc.

We are thrilled to share some exciting news about an incredible opportunity that God has placed before our family to do even more for the cause of Christ in Latin America and beyond! The Lord is allowing our family to join the ministry of **Frontier Baptist Missions, Inc.** to work closer with **Trinity Baptist Seminary** and my father-in-law, Dr. Gary Ellison. This allows us to partner with their training arm TBS to continue training and mobilize the leaders in Mexico, Cuba and beyond. There are also now students in 13 countries and around 500 students that we will work with! **We are grateful for our time with VBM and look forward to a continued partnership with our friends there!** My heart is full and we are excited to do more for God in 2025! Give us a call or message and we would love to share more with you! Cell - 678-283-5695.

Missions Trips

Let us know if you would like to take a missions trip in 2025 or 2026! We already have churches on the calendar to visit the work in Mexico this coming Summer! We also are taking trips to Cuba and other places in Latin America!

We are so grateful for your faithful prayers and support, which enable us to carry out the ministry God is doing! Please continue to pray for us during 2025!

Together for His glory,
Jonathan Anderson and Family

SENDING CHURCH Vision Baptist Church, Alpharetta, GA. | Pastor Trent Cornwell

**EVERY VERSE,
EVERY NATION**

Dear Fellow Pastors and Partners in Ministry,

We thank you for your years of faithful partnership in gospel ministry. We have been blessed to see God work in and through the Andersons to do unique and needed work in Toluca, Mexico. We are confident there is fruit that remains, and churches and ministry leaders there will continue to advance the gospel in that region.

Over the last couple of months, we have been praying with the Andersons about a door of opportunity that has opened for him. Jonathan has been open and transparent with me and the leadership at Vision Baptist Missions. We all see the immense need and value for the work that he has presented to us. We stand with him now as he and his family transition into a new work.

Frontier Baptist Missions desires to reach the Hispanic world with the Gospel of the Lord Jesus Christ and then train them to reach the world. They exist to serve and strengthen the local Church in three primary ways: as a missions agency, through a Literature Ministry, and through training, where they assist churches in establishing Bible Institutes for the preparation of gospel ministers.

As Jonathan shared how Frontier Baptist Mission is uniquely and strategically positioned to make a meaningful difference, my excitement for him and his family grew. We can see how God has prepared him and Rebekah to serve in this new role at Frontier. Jonathan and his family walk with integrity, and we are grateful for the opportunity to be their sending church.

We ask you to continue this journey with us and support this family in this needed work. Jonathan has served faithfully with an excellent missions agency for many years and plans to continue emphasizing church planting and leadership development in the Spanish-speaking world.

Simply and Sincerely,
Trent Cornwell & Vision Baptist Church
