Dear Friends and Prayer Partners,

Greetings In the mighty name of our Lord and Savior, Jesus Christ!

We thank and praise God for the success of our Vacation Bible School 2025. We thank God for His provision. We distributed 230 packs of school supplies to our children center who attended our Vacation Bible school.

Word of God was shared and 10 parents who first time to attend in the church during our VBS accepted the Lord as their personal Savior.

How God moves in so mysterious ways always amazes me. He always prove that with God nothing shall be Impossible. His blessing is always on time.

To our dedicated prayer warriors, faithful ministry partners thank you for your generosity for helping us carrying the burden and making these things possible for the Glory of the Lord.

Seeing the sweet smile and great appreciation of those hundreds of children is priceless. They enjoyed the games, crafts, food and most importantly, listening to Gods word. Thank you for being a channel of blessings for those children. May the Lord bless you abundantly. To God be the Glory!
