**Dear Friends and Prayer Partners,**

By God's grace, our church continues to be a light here in our community equipping us to be a channel of blessing to reach souls, to encourage believers, and preparing the next generation for the glory of the Lord Almighty. This letter is an overview of how God works all throughout our life through his provision and unwavering blessing which we truly believe that will open the door to God's Kingdom through your faithful prayers and support.

We are so thankful to God for the success of the Young People's Fellowship, Ladies Fellowship and even our Children's Ministry, Visitation, Gospel Tract Giving and Soul Winning. Our Young People's Fellowship has been a blessed gathering for the youth of our Church. It gives them a renewal of themselves, a living proof of how God works through their lives. Many of them have been testified and provided a clearer understanding of God's Calling and Blessing. They enjoyed the fellowship and they left full with encouragement, love and peace. We also had a Ladies Fellowship, wherein ladies had shared encouragement to each other, understanding them fully and always believing in God's Way that he will always be there for them. Ladies felt this to keep on moving forward, they strengthened each other as well as enjoying each other's presence. Additionally, our children ministry is consisting of 8 different centers here in our community that almost having a 200+ children who actively listening to God's Word. In Gospel Tract Distribution we are roaming around to share the Word of God and encourage them to put their life on trusting God.

Your prayers, encouragement, and financial support make it possible for us to continue his work. And together we press on the mark of His Glory to reach more souls

Please help us to pray for God's provision, We are praying a church property and building for the new mission work. All praise and glory to our Lord and Savior, Jesus Christ.

# TO GOD BE ALL THE GLORY!
