September Missions Update

Month in Review

Wow! What a month! September was a great and full month of traveling. **We were in seven different states** for meetings: Ohio, Iowa, North Carolina, Maryland, Virginia, Kentucky and Pennsylvania. At a missions conference in Ohio, we got to assemble Bibles, go on outreach, and teach at the Christian school. The girls were adopted by the 4th and 5th grade class and enjoyed getting to spend time with the students, especially recess. We were very blessed by the new friends we have made as we traveled around as well as getting to see some old friends. **The Lord has also blessed us with new supporters!**
