November/December Missions Update

November in Review

The first few days in November, we finished off our cross-country trip to California. Then we enjoyed a missions conference in the city Emma was born. The rest of the month was much slower with meetings in Oregon and a special focus on visiting Emma's family and close friends. We really enjoyed time with her grandparents and got to spend Thanksgiving with them.

December in Review

In December, we had meetings in Oregon, Iowa, Illinois, and West Virginia. In early December we were able to spend a week in Georgia and celebrate Lucy's birthday and Christmas with Emma's family. We finally got to meet Emma's nephew and the girls loved getting to be with their cousin. While in Georgia, we got to attend the Christmas concert at our home church. We spent Christmas Day in Ohio with Robert's family.

Support Reminder

We want to let you all know to please make support checks out to Vision Baptist Missions with Becker in the memo as the bank is no longer accepting checks made out to us. You may also give online at visionmissions.com/give/.

We want to wish you all a blessed New Year! We are very thankful we get to partner with you to spread the news of the Savior.

Hours in the car
