#### **May Missions Update**

#### Month in Review

We praise the Lord that we were finally able to move into our house. We have been very grateful for the time to get settled in and prepare for baby girl. She decided not to make her debut in May so we have another June baby. Malory Fe Becker was born June 3, 2025!! We also celebrated our 8th wedding anniversary on May 27.

Robert preached for a midweek service at Iglesia Bautista Victoria in Rosario as well as gave his testimony of missions and future plans. We had a supporting pastor and a friend of his come to visit us and it was a blessing getting to show them around Rosario and the need for more Gospel preaching churches!

#### Support Address Reminder

Just a quick reminder to double check to make sure that checks are sent to our new mailing address:

Vision Baptist Missions P.O Box 647 Dawsonville, GA 30534 Also that they are written out to Vision Baptist Missions with "Becker family support" in the memo so that our mission board can process them. Or online at visionmissions.com/give.

Our three blessings

#### **Prayer Requests**

Thank you to all who have been praying for us!
