Missionaries to Honduras

Dear friends and supporters,

Thank you for faithfully praying for and remembering us here in Honduras. We hope you all had a great Christmas!

Ministry in the Park

We received permission from the mayor's office to hold two evangelistic services near the central park. We were thankful that a good group from our church came out to participate in the music, drama, and even preaching. Various church members also formed part of our first bell choir. It was wonderful to see people sitting around the park listening to the gospel being boldly proclaimed through the loudspeakers and reading the gospel tracts given to them.

We are so appreciative of our intern, Mariela, who has helped us in the ministry this past year. She has now moved to spend some time with her family before her upcoming wedding. Please pray for Mariela and her fiancé, Eduardo, as they plan their wedding and seek God's will for their life.

Christmas Day Service

On Christmas Day, we had a great time of fellowship with our church people in a special service, complete with a bonfire, singings Christmas carols, and a gift exchange.

Youth Camp

Our church is excited to be partnering with Missionary Asael Briones' church in Juticalpa to hold a joint youth camp this weekend. Please pray as we plan the final logistics, and that God will work in the heart of the young people.

Church Membership

We plan to kick off official church membership at the end of this month along with a baptismal service. Please pray that God's people will take their commitment to the church seriously.
