Missionaries to Honduras

Dear brothers and sisters in Christ,

April was a full month! Thank you for praying for us!

Rice and Beans

A missionary friend received more rice and bean donations than he could use and was gracious to donate his extra food (1500 lbs.) to us. Several people from the church helped us prepare and pass out the rice and beans. In one nearby village, Daniel set up a speaker in the middle of a soccer field and preached the gospel while the others passed out the food and tracts to the many who came to receive it. We thank God for this great gospel opportunity.

Church Registration

Praise the Lord that we were finally able to begin to register the church here with the government of Honduras. We held a special members' meeting with a Christian lawyer to help us get started!

Health Center Ministry

Thank you for praying for us as we shared Christ with the expectant mothers. It was such an encouragement to see our church come together to donate the supplies and pack the bags. We were able to pass out 22 bags, and both the mothers and the nurses got to hear a clear gospel presentation. We hope to do this ministry again in the future.
