CHURCH PLANTING MISSIONARIES IN ECUADOR

KASON, BETHANY, JAXON, NOAH, MACKAYLA & RYLIE

February Prayer Letter

Thank you so much for your continued prayers and faithful support. We are truly grateful for each of you and the part you play in the ministry.

We are very thankful for a wonderful month of ministry. Iglesia Bautista Libertad is doing well, and Pastor Marcelo is doing an excellent job leading the church. They recently held a special event to start the year, with over 130 people in attendance, including five first-time visitors.

The youth ministry continues to grow, and we are encouraged by four new young people who have been attending faithfully over the past month. It has been exciting to see the teenagers in our church inviting and bringing their friends. We are very thankful for Pastor Marcelo and the church members who are faithfully leading and investing in these ministries.

We also had the opportunity to visit a church in Tennessee and participate in their missions conference, which was a great blessing and encouragement to us.

Please pray for a knee injury that I (Kason) have been dealing with for several months. It has been slow to heal and has made family life and travel more difficult. We are trusting the Lord for healing and wisdom moving forward.

Lastly, please pray for Project Hope and the need to raise \$150,000 for our second church plant planned for 2027. We are very grateful to several individuals who have given toward this need over the past month, and we are currently at 7% of our goal. This has been a great blessing, and we ask you to pray with us as God continues to provide.
