Dear FIPartners, Prayer Warriors, Friends and Families,

I trust that you had a very wonderful Holiday Season of THANKSGIVING. My recent 7 - week Accountability and Bible Teaching Mission Trip to Viet Nam and Cambodia was VERY BLESSED of the Lord. The highlight of the Viet Nam trip was the second week and half as God opened the door to central Viet Nam for us...12 hour bus drive West of Da Nang into the foothills of the Dak Lak mountain where we visited 11 tribal church-planters in their poor village homes and are taking the on for support beginning RIGHT NOW! Cambodia's highlight was the fourth week when the "Evangelistic Medical Team" from our strongest supporting church in AL arrived and conducted 3 one-day Evangelistic Medical Clinics 1 each for our 3 FIP supported church-planters in the outskirts of Battambang. Working in conjunction with 3 Cambodian Doctors and about ten of their nurses, we saw and treated 428 patients, provided at least 350 with reading glasses, and witnessed 159 Professions of Faith! Our three men started IMMEDIATELY doing the follow-up on all 428 with the names, addresses and phone numbers we were so careful to collect and provide for them. Please pray that God blesses them with GREAT SUCCESS in this most important "Follow Up" Ministry lest Satan come in and steal the "Seed" of the Word of God planted in their hearts (Parable of the Sower).

We are also taking on 2 additional church-planters in Cambodia (working on a 3rd one) and just last Quarter we took on 24 more in India - 23 of them in two "new states" to FIP: Rajasthan (650 mile border with Pakistan) and Odisha (N.E. Coast on the Bay of Bengal). We praise the Lord and give HIM ALL THE GLORY for the Great Things He is DOING!!!

Please pray that God opens many more church-doors for us to come in and share this Great Commission Ministry that God has given us to help churches carry out Jesus' very clear instructions to "Go ye into ALL THE WORLD and preach the gospel to EVERY creature!" Mk 16:15 especially in the "Closed Countries" of the 10/40 Window.

Attached below are a few pictures of these men in their village homes plus DropBox Links to #1.) MANY Dak Lak trip pictures and #2.) Many Dak Lak Travel Videos. Be aware that that most of the scenic Pictures and Videos were taken ON THE FLY from the back of a Motorbike so do not expect "professional quality"! The first two Videos are when we went "DOWN" hard a fast and the next two are a little more pleasant. Enjoy the rides! 3.) Cambodia Medical Clinics, Ancient Temple Ruins, etc.

So BLESSED to be your Missionaries,
