### August 2024 Prayer Letter

Life is so full, and the Lord is so good! It is challenge for us to fit all the updates we want to share in a bi-monthly update, but life is so full that we can't keep up with more! Below we have listed some highlights of the past few months. As always, we are so grateful for your prayers and support. We could not be living this exciting life of service to the Lord without your help!

Our church has recently seen significant growth- numerically and spiritually. We have 25-30 people regularly attending on Sunday, and a core group of 15 or so attending our Wednesday Bible study. Many have expressed that they are learning and growing in their walk with Christ through the preaching of God's Word. Our church varies in age from newborn to senior saints. This provides sweet fellowship. It has been a joy to see people getting involved in our outreach efforts, Kid's Club, and music ministry. I am having opportunities to impact several young men, and will begin a weekly discipleship with one who attends our church. We get a front row seat watching God transform lives, and that has been the experience of a lifetime!

Our people have began giving to the ministry of the church which has allowed us to make several large purchases. We meet in a rented room in the city library and did not have any instruments for our worship. Last month, we were able to purchase a portable keyboard! We also recently purchased 10,000 tracts and are soon to purchase a communion set. One of our sweet ladies just gave birth to a little boy, and Brettney was able to get a creche (nursery) box full of toys, books, and supplies for her and other mothers with little ones.

In October, we will be celebrating our church's first anniversary as well as missions month. Below you will see a flyer detailing all of the events we have planned. Please be in prayer for these special meetings! We are asking God to use our church to be a worldwide blessing. Missions giving will be a step of faith for our baby church, but we are praying that we will be able to take on our first missionary family for financial support during these meetings.

Aside from ministry responsibilities, we stay busy on the home front! Hospitality, home-schooling, and more fill our days. Warmer weather is on the horizon for us here in the southern hemisphere, and that has given us opportunities to meet our new neighbors. We will be flying out to Colorado on September 11th to be speak at a missions conference. We appreciate your prayers for our family, and especially our children, as that is a big journey for small ones. Thank you for your prayers!

Reaching Australia for Christ,  
Simeon, Brettney, Eden, Knox, Ivy, Willow, & Flora Brazzell
