*"Reaching Australians with the Gospel and teaching them to observe all things Christ has commanded us to do."*

## February 2026 Prayer Letter

We are well into 2026, and we are delighted to report the many blessings God has given during the start of this new year. The prayers of God's people are effective! He is hearing and answering here in the land down under.

Many of you have been praying for us as we prepare to submit our application for permanent residency. This has been a big request as much is involved and there are large expenses. We have until the end of March before we can file, but we have been able to raise/save half of our fees! Thank you to those churches and individuals who have given towards this need. We know God will provide the remaining \$10k.

Living Waters Baptist Church is thriving! God has brought us several new faces in recent days. It is a blessing to see husbands and wives growing together and little ones joining our children's choir. I challenged our church to move into 2026 as a working church. Everyone should have a place of service! It has been a blessing to see our people step up and adopt ministries as their own. Lives are being changed through our weekly discipleship efforts. We are very close to outgrowing our current meeting space. The library where we meet has another option available for us, but we are continuing to pray that God will open a more permanent, settled space for LWBC.

My parents were able to visit for several weeks, and it was a delight to have them with us. Our children really appreciated the time spent with their grandparents. Though we are sad that it's so rare, it makes the times we do have together even more special.

I mentioned that we challenged our church members to plug in and serve. It has been sweet to see our children doing that as well. Eden, our oldest, is excited to be a part of the morning tea roster. Knox enjoys writing "God's present" on his monthly missions giving. Even the younger girls can be found tidying up our nursery area or pulling our wagon of hymns and supplies! Brettney is nearing the third trimester of her pregnancy, and we praise the Lord that to this point her and Baby Boy are well!

Knowing we have a large prayer support base is such an encouragement to our family! Thank you. We are so very grateful for your love, encouragement, and sacrifice to support the advancement of the gospel in Australia.
