July 2025 Prayer Letter

Furlough 2025:

We made it back safely to the United States for our furlough. We are very grateful to all of those who have faithfully prayed and supported us during this last term. We are very excited about all the Lord has done in our last term, but we are just getting started. We look forward to visiting our supporting churches and giving an update on all the Lord has done, as well as sharing our plans for the future. Please continue to pray for our safety as we travel and prepare for our next term.

Kids Camp:

Once we made it back to the US, we immediately started visiting churches and giving updates. We have visited several supporting churches already and I had the opportunity to preach for a kid's camp where **five kids made professions of faith**. Before leaving for the mission field, I used to help with this kid's camp every year and it was exciting to see many of the kids that I used to teach now serving as counselors.

Ministry in Burkina:

Ministry in Burkina has continued as normal. Before leaving we put leaders in place to continue to run both churches. I have been getting reports each week about the all the Lord is doing in Burkina even though we are away. This is a great opportunity for the leaders in the church to step up and lead. Last week the church hosted their **annual Vacation Bible School** and they had **over 300 kids** participate. Please continue to pray for Victory Baptist Church in Zinguedesse as they seek to serve the Lord and reach their community with the gospel.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for us to have safety as we travel
- Pray for God to raise up new labourers for the mission field
