

March 2026

Dear Friends:

Last Tuesday, Citizen Impact held our Annual Pastors & Ministry Leaders' Day at the General Assembly in Atlanta. Visit the Citizen Impact website to read a recap on our blog, which includes photos from the day.

I have included some photos from recent church meetings.

Also check out the Citizen Impact blog post about some of the bills we are working on. It is updated weekly.

ACTION ALERT FOR GEORGIA: We anticipate a vote on sports betting in the Georgia House on tomorrow, Friday, March 6. Please contact your House members to ask for a NO vote on this Constitutional Amendment. [Click here](#) to find your House member by your home address (or your church's address).

Please help spread the word about our \$2000 college scholarship.

Praises & Prayer Requests:

- Praise: Fantastic Pastors & Ministry Leaders' Day!
- Pray that gambling legislation will not pass the General Assembly.
- Pray for our team as we track additional legislation. We really need the Lord's help to discern which legislation we should spend time on and how to talk to legislators about each bill.
- Pray for our Administrative Assistant, Hadassah, who is expecting a baby in April, and for Cory's wife, Marcy, who is facing gall bladder surgery this month.

Sincerely,
Paul Smith
Executive Director
