

Dear Friends:

I want to thank you for your prayers, calls, texts, cards, and emails. In case you missed it in a previous email, I had a quadruple heart bypass on April 10, and was discharged from the hospital on April 15. The surgery went well, and my cardiologist was pleased with my progress at my first follow-up visit this week. I would appreciate your continued prayers as I make a slow, steady recovery.

Associate Director, Cory Lawrence, went to Washington, DC on his own last week, since I could not make the trip. He was successful in getting meetings in several Georgia Congressional offices. See several photos below from the trip.
