Dear Friends:

I hope you get chance to celebrate this special 250th Independence Day holiday with family and friends this weekend. Please take time to reflect on the incredible document, the Declaration of Independence, with the remarkable statement that our rights come from God, not the government.

1) We are thrilled that our Administrative Assistant, Hadassah and her husband welcomed a new son on May 2. This blessing comes with new responsibilities to care for her two children, so she will no longer be employed by Citizen Impact. She will still do some contract work on our social media, but we will miss her! Our summer intern, Brett, is helping pick up some of the administrative tasks.

2) **DEADLINE:** The Citizen Impact **\$2000** college scholarship application deadline is **July 10**. This scholarship is awarded to a Christian student who is a full-time undergraduate in a recognized college or university (or high school senior expecting to be enrolled). [Click here](#) to read more about the guidelines for this scholarship.

3) We are thrilled to partner with Wallbuilders to host David Barton, Christian historian and author, for the [Citizen Impact America 250 Celebration](#) on **Saturday, August 22** at [Bethel Baptist Church](#) in Richmond Hill. This is a **FREE** event, which will begin at **5:00 pm**. (Note: A private meeting with David Barton for ministry leaders will be held prior to the 5:00 event. Registration IS REQUIRED for that leadership meeting.)

4) New laws are in effect here in Georgia beginning July 1. [Click here](#) for a report on several.

This Sunday, July 5, churches in our network across Georgia will receive a Liberty Offering for Citizen Impact. If you would like to make a tax-deductible donation to help our ministry, [click here](#).

Sincerely,

Paul Smith

Executive Director
