Subject: Church Planting Report, May-Aug 2024

Beloved Friends and Family,

"But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil."

Praise God for His continuous blessings in the Caribbean! During this period in Fantino, the highest attendance reached 87 and the lowest was 13. Over 50 first-time visitors attended, with 121 people confessing Christ as their personal Savior in the church, and 21 during house-to-house evangelism. Four individuals followed in baptism. This fruit is a testament to your faithful prayers and generous support.

Brother Oliver and his family navigate the logistical challenges of ministering in both the capital and Fantino, locations hours apart by car. They have adjusted to midweek services on Thursdays in the capital and Fridays in Fantino to meet schooling needs, with recent progress marked by securing an apartment in the capital that simplifies travel. Your continued support has enabled a crucial \$600 provision for their vehicle maintenance, supporting this transition and their ongoing commitments. As of June 17, they have settled in the capital, a testament to God's provision during this period of significant change.

Rejoice with Brother Oliver and his family as they expect a new baby, a blessing from the Lord! In this time of joy, they also face trials as Oliver's aunts were struck by a motorcycle; one aunt has accepted Christ, and the other is recovering. Please keep both in your prayers.

Please also pray for those visitors of a recent revival campaign for youth and adults and summer children's Bible camp: Robert, Jenny, Antonio, Faustino, Frederic, Jose Manuel, Freidis, Waly, Yanelquis, Emely, Yandel, and Emmanuel, some of whom accepted Christ. Finally, please pray for these who visited during normal weekly services: Wilmy, Wandy, Shabal, Esperanza, Ester, Jeselin, Luis, Eric, Pablo, and Danielis. Without you, none of this would be possible. Thank you for remaining faithful.

Sincerely,
