Church Planting in Ottawa

Greetings from the Crevar family! Thank you all for your continued prayer and financial support!

### Encouragement Along the Way

This leg of our deputation journey has been a very encouraging one! One of our prayers has been that we would be able to reach the next generation - challenging them with the thought of missions while on deputation. The Lord has allowed us to have several great opportunities to do just that. We are encouraged that there are still many youth that have a genuine desire to serve the Lord in their local church, feel a call to full-time ministry, and, in some cases, have even heeded the call to missions!

During January and February, there were a variety of storms around the areas in which we had scheduled meetings. Snow, hail, torrential downpours, and even tornadoes! But by God's grace, we managed to avoid many of them by days and in some cases hours!

We have had a very busy schedule the past two months, traveling to six different states - Michigan, North Carolina, Georgia, Florida, Alabama, California - and the province of Ontario where we spent the first week of 2025 at a mission's conference. The Lord has truly opened some great doors for us in visiting, in my opinion, some of the greatest churches in America! It is such a privilege that some have also decided to partner with us as we seek to reach Ottawa with the gospel of Jesus Christ. Since the new year, we have had a total of 15 additional churches that have chosen to partner with us! We are greatly blessed and encouraged by this!

### Spring Plans

Before making our way back home, we will finish up our ten-week deputation journey in Texas, where we have a handful of meetings scheduled. Our plan is to make it back to our home in southern Ontario by mid-April. From there, we will begin to make our way east to New Hampshire / Nova Scotia.

Our current support level is at 85%. We have been really praying that we would be able to raise full support by the end of May of this year. Would you join us in prayer as we seek to raise the final 15% of our needed support? We would greatly appreciate it!

### The Best News

But the greatest news of all is that my oldest daughter, Myla (5 years old), just received Christ as her personal Lord and Saviour! She approached me three times asking to be saved. I wanted to be sure she fully understood the gospel and that her desire was authentic, so the first two times I shared the gospel with her and told her to think and pray about being saved and come back tomorrow and talk to me if that desire was still there. This happened twice, but when she came back the third time, I knew in my heart that she was ready. What a privilege it was to lead her to Christ! I am reminded of Matthew 19:14 which says, "But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." We rejoice that our first child's name is written down in the Lamb's Book of Life!

Thank you again for your prayers for our family. Please continue to pray with us as we finish up deputation and look forward to our move to Ottawa this summer!
