TRAINING PASTORS & MISSIONARIES
FOR EFFECTIVE MINISTRY IN THE
LOCAL CHURCH

May-June, 2026

Dear Pastors, Churches, and Faithful Friends,

Greetings from the Ellison Family! We are continually grateful for your faithful prayers, encouragement, and financial support. The Lord has blessed us with another busy season of ministry, and it is a privilege to serve together in advancing the Gospel through church planting, missionary training, and strengthening national leaders around the world.

April-May

The month of April began with a wonderful **Missions Conference at Iglesia Bautista Fundamental in Hereford, Texas**. It was a special blessing to spend time with Pastor David Perez, a graduate of Trinity Baptist Seminary and the first graduate who is pastoring his first church. Seeing God use men who have been trained through the seminary is one of the greatest joys of our ministry.

We also had the privilege of participating in **Missions Sunday at Central Baptist Church**. It is always encouraging to meet churches that remain committed to reaching the world with the Gospel and to challenge believers to continue forward! We also enjoyed ministering with the people of **Iglesia Bautista Puerta Abierta** before returning to Mercedes as Trinity Baptist Seminary concluded another successful semester. We continue to thank the Lord for the students He is raising up for ministry around the world.

One of the highlights of the month was traveling to **Toluca, Mexico**, for the **Trinity Baptist Seminary graduation and leadership training**. It is exciting to watch students complete their studies and faithfully prepare for a lifetime of serving Christ. Investing in faithful men who will train others remains one of the greatest opportunities the Lord has entrusted to Frontier Baptist Missions.

June

In June, we had the privilege of participating in the **Family Conference at Iglesia Bautista Monte de Sion**. Both Deanna and I were able to teach several sessions throughout the conference.

The theme, **"Strong Homes in Times of Crisis,"** addressed the biblical foundations necessary for building Christ-centered families in an increasingly unstable world. We were encouraged by the response of families who desired to strengthen their marriages, homes, and walk with the Lord. Please pray that the truths taught during the conference will continue to bear fruit for years to come.

Answered Prayer

The Lord has once again demonstrated His faithfulness. We are grateful that **\$17,000** was provided toward the much-needed roof repairs for the Frontier Baptist Missions Home Office. Thank you to each church and individual who prayed and gave.

Prayer Requests

- **Barbara Conrad:** Please continue praying for Deanna's mother as she remains under hospice care. Pray that the Lord would give wisdom to the doctors and nurses caring for her and grant the family grace, peace, and strength during this time.
- **Travel Funds:** Please pray as we continue traveling to encourage missionaries and churches associated with Frontier Baptist Missions throughout the United States, Mexico, Venezuela, and Brazil. We ask the Lord to provide the necessary funds and safety for each trip.
