Church-Planting Missionaries to Indonesia

Dear Fellow Laborers,

4th Quarter 2025

As we look back on what the Lord has done in the last quarter of 2025, what a wonderful God we serve! **Praise the Lord, our visas have come through, and we are back in Indonesia.** Elizabeth, our youngest, Olivia, and I arrived back in Indonesia in December.

**The ministry has been going on here in South Jakarta, in the Jagakarsa region. To God be the glory! We also thank Bro. Putra and Sis. Imel has continued in the ministry.** Thank you for your prayers and gracious support, which have continued to help them serve the Lord. Many stories have been shared about their time serving here while we were gone. We have asked them to continue serving alongside us as we seek the Lord's will for this church plant. I would love it if the Lord allows Putra to become the pastor in God's timing.

Since we were here last, several people have moved out of town, and one has moved out of the country. We miss them, but we continue to keep in touch with them and pray for them.

We have also had new visitors to the church since we began our furlough. **People have professed faith in Christ. This is exciting news and very encouraging as we continue for the Lord.**

Putra has personally experienced opposition as we have, yet they remain faithful to the Lord and His work here. We are thankful to be able to step back in to minister along with them and hope to be a help to them. Elizabeth continues to build a deep friendship with Imel. **They are also a great help to us as we continue to work with multiple cultures among the Indonesian people. Pray for the lost to be saved, no matter the tribe or religion they are from. We thank each of you for your faithful support and also for each Christmas offering. It means so much.**
