Church-Planting Missionaries to Indonesia

Dear Fellow Laborers,

1st Quarter 2026

Wow! The Lord is at work here in South Jakarta, Indonesia! Since our return here, we have been extremely busy. We have so much to say in one letter, we will be writing more often than quarterly moving forward. **Thank you for laboring with us in prayer. Another soul trusted in Christ as their savior! Our new brother in Christ, Sandi, is in the middle. Please pray for his growth in the Lord.**

Pray for Ahmad, pictured with Putra and me. He has heard the Gospel, but has not accepted Christ. He nearly died a few years ago due to a terrible back injury. He believes his god saved his life, but **we know the One who spared his life.** Pray for him and many like him to accept Christ and receive eternal life.

There has been bad flooding in the greater Jakarta area. Please pray for churches that are affected during these floods. I had the privilege to preach at a preacher's fellowship in February, but it was for Christmas and was delayed due to the flooding.

Last, but not least, **praise the Lord with us for saving our daughter's life.** Olivia had what is typically a simple surgery. However, after her appendix was removed, in recovery, she went into an adrenal crisis. These are life-threatening instances, but God blessed, and she received an emergency dose of her medicine. She is making improvements now. Please continue to keep our family's health in prayer as we serve our Lord.
