CHURCH-PLANTING MISSIONARIES TO INDONESIA

Third Quarter 2024

Dear Fellow Laborers,

Thank you for your prayers and support. We have exciting news to share-Putra and Imel, the young couple who have been instrumental in our ministry, are expecting their first child any day. This is a significant milestone for our ministry, and we ask for your prayers for the health of both mother and baby. **We were also thrilled to witness the graduation of students from the Bible college where I teach. Some of them will soon embark on mission work on other islands.**

Our church has been blessed with an increase in visitors, including **five men from the distant island of Papua**. I even had the opportunity to share the Gospel with a former animal poacher from the jungles of Indonesia, known for hunting tigers and rare birds. This encounter is a testament to the diversity we see in Jakarta, a city that presents unique challenges and opportunities for our ministry.

Please also pray for Stanley and Melinda Ewing, as they will be moving back to the States to take a position as the Far East Field Director with Macedonia World Baptist Missions. **We appreciate their example and help through the years!** They have been here since 1991.

As we approach three years on the field, we will be taking our furlough. We will return in the middle of November and begin scheduling meetings for December. We will be stateside between ten and eleven months. **Olivia has still had some health issues. An MRI found that she has bilateral adrenal atrophy.** Doctors have prescribed low-dose steroids to help replace what is lacking. Thank you for praying for our family's continued health and wisdom for the doctors.

We look forward to reporting to each supporter we can be with during our time in the States. We appreciate you all. We are also praying for those who were affected by Hurricane Helene.
