

Dear Pastors and Praying Friends,

Thank you so much for your faithful prayers and support during our recent furlough. On June 16th we returned to Peru and are excited to be back where God has called us to serve. Saying goodbye to family, friends, and supporting churches is never easy, but we were eager to return to the work God has given us.

Our vision remains the same—to see 100 churches started over the next ten years throughout Peru and beyond.

The transition back has not been without a few surprises. Shortly after arriving, our hot water heater caught fire (thankfully no one was injured), and just a few days later our refrigerator quit working as well. Even through these unexpected challenges, the Lord has reminded us once again of His faithfulness. He continues to provide for our family and ministry in ways that only He can.

Peru Bible College

We hit the ground running as soon as we arrived, jumping back into teaching classes, meeting with our faculty, and spending time with pastors. It has been a blessing to see the work continuing while we were away and to watch the next generation preparing themselves for ministry. The Lord has recently brought several students from Bolivia to study with us, and we are thankful for the opportunity to invest in their lives. We have now completed another semester and are turning our attention to our annual Youth Conference. This year we are privileged to have missionary Buddy Fitzgerald and my pastor, Josh Grubbs, preaching. Please pray that many young people would trust Christ and surrender their lives to serve Him.

Over 10 Million Gospel Tracts!

Fellowship Tract League and Taking the Light Ministries have worked tirelessly to provide our ministry with more than ten million gospel tracts for distribution throughout Peru. After many customs delays, the Lord opened every necessary door, and the tracts have now been released. Please pray that God would use every tract and continue opening doors for evangelism throughout Peru.

A Financial Need

Throughout our years on the mission field, we have watched the Lord faithfully provide through every challenge and every financial setback. Just a few weeks before returning to Peru, one of the businesses that faithfully supported our ministry informed us that they could no longer continue their monthly support. This resulted in a loss of \$5,000 each month.

While this was unexpected, it has not changed the mission God has called us to accomplish. Would you prayerfully consider partnering with us? If you are not currently supporting our ministry, we would be honored to have you join our support team. If you already support us, would you consider increasing your monthly support if the Lord leads? Every gift helps us continue reaching people, training leaders, and planting churches throughout Peru.

Thank you for standing with us through your prayers, encouragement, and faithful giving. We are grateful to serve the Lord together with you and look forward to all that He will do in the months ahead.

For His Glory,
David and Katie Gardner
