

# Missionary to Peru LAUREN GRANT

Thank you so much for your prayers and support! The Lord continues to work, and people are coming to know Christ, being discipled, and growing in their faith!

At Redeemer Baptist, we've started a new ladies' ministry! On the last Saturday of each month, we gather together as sisters in Christ to study the Bible and deepen our faith and knowledge of the Lord. At our first official meeting, ten ladies joined us as we dove into the book of Colossians. We shared a wonderful time of fellowship and encouragement in the Word, and I'm already looking forward to our next meeting.

At Love Baptist, our kids' classes completed a 13-week discipleship program, and we celebrated their accomplishments with a graduation ceremony. I am proud of their faithfulness in attending, learning, and memorizing verses each week. Would you please pray for the children that they would continue to be faithful to church and know Jesus as their personal Savior?!

We have also started English classes at the church! Although teaching English is not where my talent or heart lie, it is a great way to reach out to the surrounding area, as people here love to learn and practice speaking English. Ultimately, through these English classes, our goal is to teach them more about God, His Word, and that there is a church nearby that wants them to know Jesus. In our recent classes, I have had the privilege of sharing the Gospel with several young people! More than anything, I pray that what they learn about Him will stay with them far more than anything they learn in English.

God bless,  
Lauren Grant
