

Lauren GRANT

Missionary to Peru

My Bible, ink pen, notebook, and computer. These are the things that currently surround me and cover every spare inch of my kitchen table as I read, study, and write lessons for an upcoming single ladies conference in Arkansas. It is a blessing and an encouragement that the Lord would choose to use me. Years ago, when I was invited to teach at the very first single ladies conference, I was honored. Now that, seven years later, I have been invited back, I am beyond grateful. I pray the Lord will use me to help other young ladies not only see their great need for salvation, but also the great privilege of serving the Lord once they know Him.

Moreover, at Locust Grove Baptist, I had the privilege to teach one of our ladies' Sunday school classes and the middle school children's class on Wednesday night. I really do enjoy teaching others about Jesus and His word, and it has been a joy to teach the women and children of my home church after so many years of teaching the ladies and children of Peru.

Also, I am looking forward to attending the World's Cheapest Mission Trip hosted by Vision Baptist Missions this month. It is a wonderful week of helping others see the great need for the Gospel around the world without ever leaving the Atlanta area. Young people will get a glimpse of other religious beliefs and the darkness that millions live in each day, all while hearing messages about the Gospel truth that can save them! Please pray for those young people in attendance this week.

In Arequipa, the Miller family recently hosted four young ladies on a mission trip, held a baby-dedication service, and enjoyed a day of fellowship at Redeemer Baptist church. Love Baptist has held special events for the youth, and classes for the children on Wednesday nights, and been a blessing to several in the community with much-needed gifts of essential food items. Please continue to pray for the ministry, people, and churches in Peru.

God bless,
Lauren Grant
