## Ongoing Pastoral Training

The Lord has been especially good to us over these past weeks, as He allowed us to host our annual ministry training retreat here in Santiago. **More than 80 people gathered for the event, including pastors, church leaders, and ministry families from churches across the city and other regions of Chile, all focused on the theme of being strengthened in the Lord for faithful service.** Missionary Shawn Bateman served as our keynote speaker and faithfully delivered clear, practical biblical teaching that encouraged and strengthened those who attended. The days were also marked by sweet fellowship that reminded everyone that we are not serving alone.

## Youth Camp 2026 Highlights

We also thank the Lord for the next generation He is raising up. Recently, 158 teenagers from many churches gathered for a youth camp focused on deepening their devotion to Christ and discovering the joy and purpose of living fully for Him. **It was a blessing to see genuine spiritual hunger, important decisions, and a growing vision for a life centered on Christ.** Thank you for your prayers as we rejoice in how God is working across every generation of the churches here.

## The Family Together in Chile

In the midst of a full month of ministry, the Lord also gave Lori and me a special personal blessing. **All three of our adult children and our new son-in-law were able to visit us for a week, and the time together was a great encouragement to our hearts.** We are so thankful to see each of them serving the Lord with their lives.

## Praise and Prayer

1. Last month, we shared two special needs for a church auditorium expansion and the replacement of items stolen during a recent ministry trip. The Lord provided through many of you, and both needs have been fully met. Thank you for your faithful generosity and partnership.
2. In April, Lori and I will be in the United States to serve at the Vision Baptist Missions Annual Orientation. During the following 3 months, we will be visiting churches and giving updates on what God is doing in Chile. If you would like to schedule a meeting while we are in your area, we still have a few openings.
