Serving As Administrative Advisor
& Church and Missionary Helps

February 2026

Dear Pastor and Praying Friends,

Greetings to all of you, our faithful prayer supporters! We trust that you had a wonderful Christmas time together with family and friends. We remember many Christmases in Africa when we had some wonderful times with our church family. The all night services were always filled with excitement! Sometimes it can be hard for the missionary family to be away during the holidays, but God gives you special missionary friends as well as nationals that are like family even though they may be from a different culture. We treasure those times that we have had and pray for our missionaries that they too will have good memories of the holidays wherever they are serving.

Ministry Travels

We have had a cold start to the new year weatherwise. With snow and ice storms in our area, we have had two meetings canceled. Georgia normally doesn't have a lot of ice and snow days, but this year has been different. We just thank the Lord that He is in control and we do not have to worry.

We will be in Pennsylvania and several different churches in Georgia in the weeks ahead. Pray for traveling safety.

Macedonia News

In January we were at the Home Office helping prepare the 1099's and tax documents for the missionaries. It is a service we do for the missionaries at Macedonia every year. We are glad that we can help the office staff through this tedious process. We held Deputation Training classes in January to help the new missionaries to be able and ready to go ahead with their deputation and meetings.

We will have the MWBM Youth Conference April 18. Please help us pray for many hearts to be touched through this meeting. Please be praying that we will receive our occupancy permit for the Pavillion. We are still waiting for this.

Refresh week (also orientation) meeting will be June 22-25, 2026. Please be in prayer for this meeting. Plans and preparations start months ahead for a meeting of this magnitude. We want to help our missionaries and encourage them through the training classes and the preaching of God's Word throughout the week.

We are so thankful for each of you our faithful supporters. We cannot do all we do without your help. Please keep us in your prayers as we travel and pray for our meetings. We want to see more missionaries surrender to go to the field and to be a help to smaller churches. *"The Harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."* Matthew 9:38

In His Service,
