

JASON & AMANDA HAMBY

Assistant Director and Far North Director

January-February 2026

Dear Fellow Helpers in the Ministry,

It is such a blessing to be serving the Lord alongside you in these last days before the Lord's return. God is so good! We can not thank Him enough for all He has done in our lives. We are so thankful for each of you and your continued faithfulness in supporting us both prayerfully and financially!

Hamby Family News: The grandbabies are doing great. Of course, I had to start with them. We are loving being grandparents. It thrills our hearts to hear them singing *Jesus Loves Me* and trying to pray in their toddler language. We are so thankful for all three of our sons, their wives and children.

Ministry News: It has been a really busy but amazing beginning to 2026. The Lord has allowed us to be in many missions conferences and missions emphasis days in several churches already this year. Amanda and I will be speaking at a marriage conference in March as well as several more missions revivals in the upcoming weeks and months. We covet your prayers for safety on the road, for believers to be challenged and encouraged in their lives, and lastly for souls to be saved. On that note, I ask you to please pray for a dear man with whom I spoke recently. He has been in a great church for years and has heard the Gospel clearly preached time and time again but has not yet taken that step of placing his trust in the finished work of Christ on the cross of Calvary for the forgiveness of his sins. It breaks my heart.

Just wanted to mention here that I was privileged, at the end of December, to preach the commissioning service for one of our missionaries, Brother Noah Gudger, who is now serving in New Hampshire. Pray for him! (pictured below)

We also praise the Lord for a few more new MWBM missionary families. I will share more about them in our next prayer letters.

It was a blessing to have been able to preach at another of our regional Reach the World Youth Conferences for MWBM. We are so grateful to Bethel Baptist Church in Riverview, Florida. The church folks there worked so hard and were such a blessing to all involved. GLORY TO GOD!!! We are praying for more laborers to come out of this endeavor. Please be in prayer for the next Reach the World Youth Conference to be held here at the home office on April 18th. Please go on our website and get registered now! You don't want to miss this meeting for your high school and college-age Youth! We expect another great time with you all!

We love you all, and we are so thankful for you!

In His service with you,

Jason and Amanda Hamby — Isaiah 40:31
