Souls Saved and Churches Are Growing

Ministry in Santiago usually gears down during the summer months of January and February. On any given week, more than 1/3 of the city is out of town on vacation. Add the heat, and a lot of ministries naturally slow down. Not this year!

We've been encouraged to see report after report of people being saved and lives being changed by the gospel in several of our young church plants. Pastor Sergio (pictured to the right) has already outgrown the building they started in just two months ago. We're partnering with him to build out a larger meeting space so they can reach more people with the gospel. The total cost will be about \$4,000.

Recent Robbery

As Lori and I were returning from ministry in a church in northern Chile, someone stole two bags from our car during a brief stop at a gas station. We're thankful we were safe, and the car wasn't damaged. But we did lose a passport, a laptop, an iPad, headphones, a dental mouthpiece, and other travel gear totaling over \$3,000 in value.

It's frustrating to have to spend the time and money to replace everything, but we're grateful for God's protection. In 21 years in Chile, we haven't been robbed since I was held up at knifepoint in 2005. God has protected us many times.

If you'd like to help partner with the financial needs of the church expansion or with replacing the stolen items, you can send your gift to the support address below or give online at the link here: <https://visionmissions.com/missionary-details/jason-holt-chile>

Prayer Requests

1. We will be hosting our annual teen camp during the first week of February. Pray for the young people and for those who will be speaking. As of this writing, we have over 150 teens signed up for camp.
2. A couple of weeks later, we will host our annual ministry training retreat with pastoral staff members and their families. Currently, we have over 80 signed up for this event. Missionary Shawn Bateman will be our keynote speaker for these three days.
3. We are prayerfully considering several potential properties for Liberty Baptist. Pray for wisdom.
