Chile Church Planter & Latin America Director for VBM

Serving Since 2001

Annual Ladies Conference

Last month, we hosted our annual “Renew Ladies Conference” at the Chile Baptist College, welcoming nearly 200 women from 14 different churches across Santiago and southern Chile. The sessions encouraged women to renew their minds in how they view God, themselves, and others. Many of these dear ladies shared in the following days about how God worked in their lives during the conference sessions. We are glad the Bible college can organize these events to invest in the members of local Chilean churches. Please pray that the decisions made during this conference will continue to bring forth fruit.

Surveying Northeast Brazil

Along the northeast coast of Brazil are several large cities and countless smaller towns that desperately need more Bible-preaching churches. I had the privilege of leading a survey trip to Salvador, Brazil with missionaries Tyler and Brianna Chandler. We explored areas of spiritual need for future church plants and researched all the practical details they will need to move to Brazil in 2026. We also met with veteran missionary Wes Palla during our trip. He and his family were a great encouragement and provided a wealth of knowledge about language, culture, visas, housing, etc. Please pray for the Chandlers as they continue raising financial support. They are currently at the half-way mark of their fund raising efforts. **Would you consider partnering with them in monthly support to help them reach Brazil with the gospel?**

Our Youngest Graduated from High School

During the last 18 years, Lori has diligently and faithfully overseen the homeschooling efforts of all three of our children. Now, that stage of life has officially come to an end. **Our youngest son, Andrew, recently graduated with honors from high school.** Andrew gave a stirring speech (pictured here) at his graduation celebration. We were moved to hear his gratitude towards God, his mother and me, his church, and his many friends in Chile and the United States.

During the past two years, he has been a dual-enrollment student at Veritas Baptist College while finishing his homeschool. He plans to continue pursuing his bachelor's degree at VBC. As John wrote, “I have no greater joy than to hear that my children walk in truth”. Please continue to pray for Andrew as he prepares for God's plan for his life.
