June 2026

June was another busy month! We did not travel to as many states this month, but we did cover a lot of ground and visit two new states. We started off the month flying to Las Vegas, Nevada (**yes**, to go to church!) It was exciting to see how the Lord is working in and saving lives out in the desert! During that conference, we were able to spend some time with Bob and Becky Mach. They have been serving in Africa for over 30 years. It was a privilege to learn from them and also hear how they have seen the Lord work over the years. Please pray for them and Bro. Bob's health!

We flew back to the East Coast and headed straight to the Orlando area for two weeks, where we had several wonderful meetings. I had the privilege of going out to visit with a church that we stayed with. It was amazing to see the diversity of the area and how the Lord is bringing the world to the doorstep of that city. In those two weeks, we were able to have a couple of days of much-needed rest. We still had a meeting on the Wednesday, but we were able to spend some downtime together as a family.

We left Florida and headed Northwest. We spent the last two weeks of the month in the Peoria, Illinois area. We did run over to Iowa for a couple of days for an all-day meeting. The Lord blessed, and we had nothing but wonderful meetings throughout the month! We even had another hiccup with our van on the way to a meeting. But as He always is, the Lord is FAITHFUL! A precious family let us use their van for the night, and we were able to get the repair done quickly the next morning.

On the African Front

As we press forward to Africa, we are excited to see the Lord's hand at work. He has provided and supplied above what we could even think. As of June, we are at 71% of our needed support. Our plan is to buy tickets to South Africa when we hit the 75% mark. Please pray for us as we schedule our visa appointment at the embassy in Washington, D.C., that the process goes smoothly.

Prayer Requests & Praises

Please pray for us as we are on the road. We will not stop back in Georgia until September. Please pray for safety, our van, and sanity :) Please continue to pray for people in South Africa as well as for people on the way to be saved!

Thank you again for your continued prayer, love, and support!
