

The Johnson Family

April 2025

Greetings Fellow Laborers,

As we look back across the last two years we are thankful for every mile we have traveled across America to present the burden for Denmark. We are excited that this will be the last letter written while on deputation. When we started this journey I thought the end would not come. I said the cost was too great, the road was too long, and no one would stand with us. However, looking back I can honestly say that because of the faithfulness of God and the goodness of His people, we have reached the end of deputation and will be leaving for Denmark on April 28th. We are so thankful for every pastor who has opened their church doors for us to come and present the work. We have been blessed by every person we have had the opportunity to meet. Over the next three weeks, we will be in 7 more churches to present the work. Please pray for safety as we finish up these meetings.

As we prepare for our departure we continue to ask you to pray the Lord will allow for a trouble free trip. We will be leaving with two suitcases and one tote a piece. We will be flying from Atlanta, GA to London, England where we will clear customs. Please pray for a smooth transition of baggage so that all of them arrive once we land in Denmark. Upon arrival, we will be getting settled in our house and begin to work on language school. Please pray as there may be an opportunity to have a private tutor come to our home and teach us Danish. If the Lord opens this door we are praying that we will be able to share the gospel using the Bible as a textbook in learning the language.

As stated in the previous prayer letters we will not be able to ship a container due to the taxation on the items in the container. We want to say thank you to those who have given so that we will be able to buy some of the household items we will need. There has been an update on the Bible translation and Lord willing once we arrive we will be able to get a clearer time frame on when we can get them published and shipped to Denmark. Please pray as we look and translate tracts into the Danish language.

Thank you again to each church, family, and individual who has taken the time to pray for our family and also for those who have taken us on for support. We pray the Lord will richly bless you for your sacrifice to our family. Without your prayers and support, we could not go to the field. Lord willing the next prayer letter will be written from Denmark!

In Christ,

Bro. Nate Johnson I Cor 1:17
