

The Johnson Family

July 2025

Greetings Fellow Laborers,

It has been a busy three months, and we are thankful for how the Lord has moved here in Denmark. We arrived here on April the 29th. We were able to get the house set up and to get settled in. We are so thankful for all the churches and individuals who have given sacrificially so that we can set up our home. The taxation on items sent over is so extraordinary.

We were able to start holding services in our home. In the first service, we had 12 individuals in the service. We have had a faithful congregation for the past two months. We have one gentleman and his family traveling 2 hours by bus and then walking another mile just to attend the services. It is amazing to see the excitement they have for the things of God and truly a hunger for the Word of God. Please pray for our people here as they grow in the Lord.

As most of you know the government here has temporarily removed the authority of our sponsoring church here to be recognized as an official church. This means that until the fall of this year, the sponsoring church will not be allowed to sponsor us until then. Because of this situation, we will only be allowed to stay in the country until July. We are planning on returning back to Denmark in October. The paperwork for the sponsoring church has all been turned in and as far as we know it is all in order. We just have to wait for the government to meet in the fall to approve their paperwork. Over the next two and half months we will be doing live Zoom meetings so that we can continue to have service with our people.

While we are back in the States we will be updating our supporting churches on what has gone here the past three months. Also, to share the need for gospel literature. We are finalizing the John and Romans translation into Danish and would like to see it in publication while we are home. We have a great need for tracts and other soul-winning resources to be published. We are also in need of Sunday School materials. Please help us pray about these needs.

In His Service,

Bro. Nathan Johnson
