## Missionaries to Denmark

January 2026

Greetings Fellow Laborers

**Philippians 1:6** *Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ:*

This verse reminds us of a couple of things. First, we can be confident, not in ourselves but in the One who has never failed. The Lord is right in all things. Although we may not understand we know that the calling of God is one with a plan that will not fail. As Paul states the one who hath begun this work in us it is up to Him to perform it. We must stay faithful in our service and in our calling to share the gospel and to reach the world at any cost. I praise the Lord that we rely on Him to complete the work which He hath begun.

We arrived back in the country on October 29th. It was an exciting time that we were able to get back and meet with our congregation here. The Lord has been moving in the hearts of our people here and the desire to reach souls is a blessing to see. Please pray as the Lord opens doors for us to witness and share the gospel here in the nation.

**Update on Visas:** The government as of this letter has not given approval to the sponsoring church here in Denmark. This means that for the foreseeable future we will be traveling back in forth on tourist visas. This isn't what we desire but the the Lords way is always right. We are trusting Him.

Lastly, on December 30th, we have made an emergency trip back to the states. My father-in-law has come down seriously ill. Will you please pray for him as he has one kidney and it has stopped functioning. Since we were having to leave Denmark at the end of January we decided to return to the States to take care of him and then we will be able to return sooner once things are settled down here.

In His Service,

  
Bro. Nate Johnson

## Missionaries to Denmark

January 1st, 2026

Dear Pastor,

I wanted to thank you for your support for our family and the work that God is doing in Denmark. My family and I are so grateful for you and your churches sacrificial giving to allow us to be your representatives in Denmark of the gospel.

As you know our church has been handling all of our support finances coming in. Over the past several months it has become increasingly harder for the ladies to handle not only our finances but also all the finances for the church and the other ministries of our home church. Our desire was for our home church to continue to handle this burden as long as possible. However, the Lord has blessed our work and it has grown to the size and we need assistance to handle this .

My pastor and I have been praying and have discussed looking into a mission board coming along side of our church and helping us with the office work and financial accounting. After prayer and seeking the Lords direction we have come to the decision to go with Prayer Baptist Missions International.

As of December 15th, we have been accepted by the board and from January 1st on they will be processing our finances. We believe that PBMI is the best fit for our church and our work in Denmark. PBMI believes in the Local Churches Authority and they are coming along side us to assist us. **Please make the checks payable to Prayer Baptist Missions International and in the memo please put Johnsons Family.**

I wanted to let you know in writing and I am working through all our supporting pastors to call them personally and let them know that this change has happened. **If you have any questions before I call about this change in the ministry please feel free to call me. My cell phone number is 678-356-9349.** You can also call my pastor, **Pastor Terrell Hopkins at 770-633-4864** Again, thank you for your support for our family and we are again honored to be your missionary to Denmark.

In His Service,

  
Bro. Nate Johnson

Refreshingly Old-Fashioned!

Jeremiah 6:16 "Thus saith the Lord, Stand ye in the ways, and see, and ask for the old paths, *where* is the good way, and walk therein, and ye shall find rest for your souls."

Dear Pastor,

Your missionaries to Denmark, Nate and Stefanie Johnson, are members of Heritage Baptist Church, and we are honored and grateful to be their sending church.

We have managed all the monetary support and the incoming support letters since they have been on deputation. Thankfully, the numbers of churches supporting them have grown significantly and after much prayer and consideration, Bro. Nate and I believe utilizing a mission board to facilitate the support would help the workload of our secretaries and help the Johnsons.

Prayer Baptist Missions International will be processing all the financial support in the near future. Bro. Nate will be contacting you with that information.

I love this dear family, and I am praying for God to use them in a tremendous way in Denmark for His glory. Please feel free to contact me if you have any questions.

Your friend in Christ,

Terrell Hopkins  
Pastor
