## CHURCH PLANTING MISSIONARIES IN ECUADOR

KASON, BETHANY, JAXON, NOAH, MACKAYLA & RYLIE

Dear Friends and Prayer Partners,

This past month, the Lord has been very good to us! We are thankful for His continued blessings and would like to share some of the things that have been happening recently in our lives and at Iglesia Bautista Libertad.

While we are on furlough, Pastor Marcelo and the leadership of Iglesia Bautista Libertad have been doing a wonderful job leading the church. During the month of February, they organized several special activities that have been a great encouragement to the congregation.

For the past two months, the church held a Sunday School competition, with points awarded for attendance, Bible memorization, and offerings. This competition encouraged many people to be faithful to the Sunday School hour each week. The competition concluded in the last week of February, and this time the children's group won!

In addition, some of the ladies of the church organized a special meeting for young ladies. The activity included games, crafts, and a time of Bible teaching. Over 25 young ladies attended, and it was a wonderful opportunity to encourage them spiritually.

The church also held a special Saturday outreach using Samaritan's Purse shoeboxes. This was a great opportunity to reach new children and families in the community. During the event, there was a clear Gospel presentation for the children and another for the parents who attended. The church was able to collect contact information from 27 new adult visitors, and we would greatly appreciate your prayers as the church follows up with these families.

During this past month, we also had the opportunity to visit several churches while on furlough. We are thankful for the privilege to present our ministry and report on what God is doing in Ecuador.

We are also grateful for two new gifts toward Project Hope, which brings us to 12% of the total amount needed. Please pray with us as we seek to raise the remaining funds. Our prayer is to plant a new church in Ecuador in 2027 through this project.

Thank you for your continued prayers, encouragement, and faithful support of the ministry.

God Bless, The Blooms
