CHURCH PLANTING MISSIONARIES IN ECUADOR

KASON, BETHANY, JAXON, NOAH, MACKAYLA & RYLIE

This past month, God has greatly blessed our family and our lives. Here are some of the highlights:

At the beginning of April, we attended our mission board's orientation, where we were encouraged and challenged throughout the week. It was helpful to learn how we can continue to grow personally and strengthen the ministry in Ecuador.

Iglesia Bautista Libertad held a special Easter service and has continued to reach new visitors and families each week throughout April. We are thankful for the work they are doing to reach their community.

In May, I will be traveling to Ecuador to visit the church and ministry. Please pray that God would bless the trip and make the time there fruitful and encouraging.

I have also had the opportunity to teach a missions class this semester at the Vision School of Missions and will be finishing the class in May. I am very thankful for the opportunity to be involved in training future missionaries.

Thank you for praying for Project Hope! Several churches and individuals have given this past month, and we are very thankful for their generous sacrifice as we work toward planting another church in Ecuador in 2027.
