Missionary to Bolivia

Dear Pastors, Partners, and Praying Friends,

June 2025

MAY IN REVIEW:

This past month was full of different activities, ministry opportunities, and see you later. I'm so grateful for this past month in Bolivia, before coming back to the States for my one year furlough. Even though I am not currently there, I still long to be there, working alongside my brothers and sisters in Christ. **I ask that you would continue to pray for the churches, that they would continue to grow during this coming year and for the country of Bolivia and for the hard times they are going through right now.**

At the beginning of May, I taught at one last ladies meeting in the church in Pacata on Michal, David's first wife, and resolving interpersonal conflicts. Later in the month, the ladies of the church had a going away party for me and for missionary Beth White. I have enjoyed getting to know these ladies these past 3 years and building friendships with them. **Please continue to pray for them, that God would continue to work in their lives.**

The last Sunday of May, we celebrated Mother's Day in the church. We had two specials sang by some of the ladies in the church, a gift for each mother, and a delicious lunch that we served to everyone. During this same service, we had our first baptism in the church in Chiquicollo. What a blessing it was to see a young man, Mike, take the next step and be baptized. **Would you pray for the mother's in the church and for Mike?**

COMING UP IN JUNE:

I arrived safely in North Carolina on May 30th. I have been taking some time with my family these past few days and have enjoyed being back in the States. This month, I will be traveling to Georgia for a meeting with the mission board and I will also be setting up my new apartment. I am looking forward to beginning my travels to different churches in July to give updates on the ministry in Bolivia! **Thank you all for your continued and faithful prayers during this time of transition!**
