

The Mendes to Brazil

JULY PRAYER LETTER

“But my God shall supply all your need according to his riches in glory by Christ Jesus.” (Philippians 4:19)

Dear Pastor and Brethren,

On the first Sunday of this month, 12 newcomers completed our eight-week discipleship course, which covers the foundations of our Faith. Praise the Lord! Please pray that these people will continue to grow in the grace and knowledge of our Lord Jesus Christ. The Lord willing, we plan to begin another discipleship course in September, as the Lord continues to bring more people to our church.

Missions is very essential for the fulfillment of the Great Commission. The Lord willing, we will have our first missions month next month. During August, we will be emphasizing the need for all of us to be practicing missions locally ourselves, but also abroad through praying and giving. We will be teaching about and emphasizing giving to missions even more than we normally do. We have been supporting two Brazilian missionary projects since the beginning of our ministry, even though we are a small congregation. Please pray that our people will learn to be a part of missions and support more missionary projects. Our church is located in one of the poorest parts of Goiânia, but as BIMI missionary Jimmy Rose always taught, “There is no one too poor to give to missions.”

For the last six months, we were able to use a **borrowed vehicle** for our ministry, but now we need to acquire our own car. Would you consider helping us raise **\$30,000** to buy a reliable car? Thank you so much for praying for this special need.

We are very grateful and honored to be your representatives on the mission field. Thank you for your faithful prayers and support. May God greatly bless each of you!

In His service,
