## Church Planting Missionaries to Peru

### Dear Pastor and Praying Partners,

We are humbled and grateful for your faithful prayers and support of the ministry here in Peru. We are thrilled to have the opportunity to share the good news of the gospel with new people every week and see God at work in this new church plant!

#### Update on Redentor

This month we started our first youth meetings! Each Friday night we are meeting together for a time of Bible study and fellowship. God has grown the group each week and our prayer is that we would continue to see God working in the lives of these young people. Our future pastors and leaders will likely come from groups like this. Would you pray that God would raise up servant leaders from this group?

We have had many new people come to the church because of an invitation they received at their door or walking down the street. It is always an encouragement to meet these people and know that the time spent investing in outreach results in people coming to church! One elderly lady came and said that she received an invitation from our daughter, which was a great opportunity to teach our children how important it is to participate in outreach.

People from our area take great pride in their city. The city is 484 years old and has a diverse cultural heritage. There are still many who speak Quechua, the language spoken by the Incas, and a large influence from Spain. Each culture has influenced their beliefs and customs, but God has given us a message to share with them that transcends cultures and traditions. Our prayer is that the gospel would have such a radical effect that this city would be know for the work of God there.

#### Family Update

This month we had the opportunity to celebrate Corban turning three! When we arrived here in Peru he was only 4 months old, so he is more Peruvian than any of us. We pray that God would work in his life and that he would be greatly used by Him.

#### Praises

- Our new youth group started this month!
- Believers are being trained to disciple others
- 

#### Prayer Requests

- New kids program starting September 20
- A permanent home for Redeemer Baptist
