Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

The Future of Missions

This month we had the privilege of hosting four young ladies who came to Peru from Georgia, Michigan, and California to spend time serving alongside our family. Throughout their stay they accompanied Allie in evangelism, learned more about the Peruvian culture, and helped in various areas of the ministry.

Our prayer is that God would use this time to deepen their walk with Him and give them a greater burden for world missions and for the people of Peru. There is something special about seeing missions firsthand, and we are praying that the Lord continues His work in each of their hearts.

If you or someone you know has ever considered serving on a short-term internship, we would love to talk with you. These opportunities are designed to provide hands-on ministry experience while helping believers discern how God may be leading them.

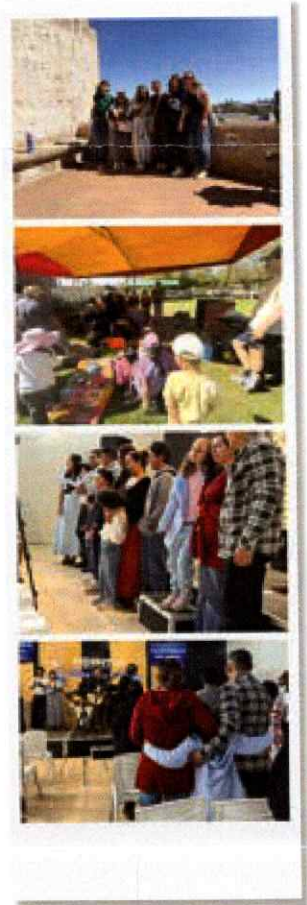

Redentor Update

One of the highlights of the month was spending an entire day together as a church family at a local park. We enjoyed games, meals, conversations, and simply spending time together outside of our regular church services. These are intentional opportunities to strengthen relationships, build trust, and cultivate the kind of biblical community that endures through both joys and trials. Our desire is not simply to plant a church, but to see God build a close-knit church family that will faithfully serve Him for generations to come.

We also rejoiced as several families publicly dedicated their children to the Lord. This was an opportunity for parents to commit themselves to raising their children according to God's Word and to seek His wisdom and grace as they lead their homes. Please pray for these families. We know that when believers make intentional decisions to follow and serve the Lord, spiritual opposition often follows. Pray that these parents would remain faithful and that God would protect and draw these children to Himself. They represent the next generation of gospel ministry here in Peru.

Property for the church: Please continue praying as we seek the Lord's provision for a permanent property. We still have \$10,000 in matching funds available, making this an exciting opportunity for those who would like to help us reach this goal!

Leadership development: Please pray as I continue investing in approximately half a dozen men within our church. We are intentionally training and discipling future leaders who can help shepherd the church and strengthen the work for years to come. Pray that God would continue to mature them spiritually and raise up faithful leaders for His church.

Praises

Child dedication in Redentor demonstrates the commitment of families to raise their children in the Lord.
Much of the congregation participated in the family day in the park growing closer relationships.

Prayer Requests

Pray for provision for the Redentor property opportunity.
Pray for spiritual growth through discipleship.
Pray for wisdom and strength for our family.
