Bro. Matthew New Quarterly Newsletter

Dear Pastor & Friends,

We are so thankful for the things the Lord has allowed us to accomplish over the last three months. Thank you for your unwavering prayers and continuous support for our family. We truly could not do this work without you. We witnessed the Lord do many great things in the jail over the past few months. I am currently talking with an inmate that is a Muslim. I started talking to him in my hallway and he asked me a question that started a conversation about Jesus. I told him that I could show him in his Quran that Jesus is God. He was being transported back to his floor. He asked me to come to the floor and talk to him. Over the past few weeks I have been going and talking to him about who Jesus is and why He came. The inmate told me that no one ever took time to show him all of this. He is now saying he wants to know the truth. Pray for us while I try to let the Holy Spirit lead in this and that he will accept Christ soon. Continue to pray for our facility as we continue to fight for our church services. The past month or so we are running into issues with floor staff not willing or wanting to have the services. We definitely need more preaching at Rice St. I was able to get Coby Gilleland cleared to come in our facility. He was a 3 time felon, but has been pardoned by the State of Georgia. He got saved in jail around 15 years ago, and now has a heart to go back in the jails and prisons to preach to the inmates and help them see how the Lord can save their life and change their circumstances. I was able to take him to two floors in the facility this past Saturday and the men responded very well to the messages. Continue to pray for all of our volunteers as we try to reach sinners with the gospel. As always we continue to deliver materials and talk to the inmates on a daily basis. I thank the Lord for the open door and opportunity for that. We have had 3 men surrender to Christ over the past couple of months on these visits. Keep praying that their eyes and ears will be opened to the Gospel.
