DISCIPLES DISCIPLING

There's a joy in ministry that can seldom be compared and that's seeing someone grow in the Lord. I've been working through lessons that teach who we are in Christ, serving the Lord, and discipling others in our small groups. Recently, we've been talking about how we can bring others along in the faith and disciple them. Discipleship isn't always a quick and fast thing; it's about investment and pouring your life into someone.

The Lord has made the hard work of discipling finally show. One of the men that I have worked with for almost 4 years has decided to disciple his friend who is a young believer. The fact that he's excited and prepared to help another believer grow is extraordinarily exciting! Please pray that more believers would be prepared to disciple others!

FURLOUGH PREPARATIONS

It is shocking that we have only 12 weeks to go before furlough. Please pray for us as we begin a lot of the physical and mental labor of sorting, packing, cleaning, and deciding what to part with. We are packing most things for storage before heading to Belfast, and some to go to the States.

In addition to all the physical preparations, we are also helping Downham Baptist Church to be ready for their new pastor. Please pray for Pastor Chris Beane and his family as they are working on their visas to be here in the UK. Please pray for Downham as they continue on serving the Lord!

God bless,
Sam, Beth, Ruby, and William Quinn
