Behold, the former things are come to pass, and new things do I declare: before they spring forth I tell you of them.

Dear Praying Partners and Friends,

Happy New Year 2026 to all of you! Praising God for allowing us all to celebrate our Saviour's birth this past Christmas. May we always remember the free gift of salvation and eternal life He promised us. I greatly rejoice in the Lord for allowing me to celebrate my 65th birthday and for helping my wife and I, and His ministry through the year 2025. We thank God for all the blessings and marvelous things He has done through the many souls saved, baptized, events from Pastor's Appreciation month, American-Japanese Friend Day with Bro Henry & Celeste Ward, Family Conference with Bro Ronn & Barbara Johnson, Veterans Day, Thanksgiving Day, a visit from our BIMI Military Director Bro Bryan & Kris Baggett, an opportunity to reach out & be a blessing to a local nursing home, Christmas & New Year's services with luncheon, gifts exchanges, games & more. In addition, we are thankful that most of the ships have safely returned just before Christmas. Families were reunited, however, sad to say, they will be going underway again shortly after the New Year! Praise God for the brief time they have together! These were all done due to your faithful prayers & support for this mission work. Thank you so very much or Doumo Arigatou Gozaimasu!
