Praying Friends,

July 10, 2026

Greetings from a very hot England! This summer has been record-breaking, with temperatures reaching as high as 93 degrees. That may feel normal in parts of the USA, but here—where most homes don't have air conditioning—it's been quite a challenge. Thankfully, our below-ground church fellowship hall has become a welcome refuge on the hottest days.

May-June Recap:

In May, our newest missionaries, Rusty and Ronda Guin, blessed our church by leading a Seder meal on Saturday and then Bro. Rusty preaching both services on Sunday. For many in our congregation, it was their first time participating in a Seder, and it was encouraging to see Christ so clearly pictured in the Passover meal. May the Lord use this experience to help us reach the Jewish souls around us. Anti-Semitism has been on the rise in England, and the local police even stopped by to ensure everything was secure for our event.

A special June highlight was a visit from missionary helper Jennifer Rarrick, who shared her ministry with our church and taught our teenage girls. God used her in a special way that Sunday, and we're excited to have her back in July to help with our Holiday Bible Club (VBS). Amid our regular ministry outreaches, we've also been updating parts of the building with fresh paint and new flooring.

Soul Report:

As we hit the halfway point in 2026, we have witnessed to **42** souls, rejoiced in seeing **14** accept Christ, and maintained regular discipleship meetings with **10** individuals. Recently, one of our men has begun joining us faithfully for soul winning, and he hasn't missed a single outing. This past Saturday, Dad and I were away at a first-aid course, yet our newest soul winner still went out—and even brought a new convert with him as a silent partner. Hallelujah for multiplication!

Family Update and Upcoming Events:

Thank you for praying for Baby Hazel! She is growing well; and, thankfully, no major complications have developed. We're looking forward to having Dr. and Mrs. Mark Bosje and a group from our sending church with us in mid-July. Our church is hosting a big promotion—**Bring a Friend Sunday**—on July 12, and their team will help us prepare and promote the event. Dr. Bosje will also be speaking during both services. Our Holiday Bible Club (VBS) runs from July 30 to August 2, and we're delighted to have Missionary Christian DeMoville with us to help lead the week's ministry. We covet your prayers for these opportunities. Thank you for keeping us on the field. God has truly blessed us with a global family of soul-sensitive believers!

For His glory,

Daniel, Rachel,
Ruby, Andrew,
and Hazel Solt

SOLT SIBLING ADVENTURES

Ruby and Andrew's favorite things to do together during this sunny summer have been swinging on their new swing set and playing in the sandbox!

PRAYER REQUESTS

1. Soul-winning opportunities
2. Friend Day (July 12)
3. Holiday Bible Club (July 30–August 2)
4. Baptism Sunday (August 16)
5. Stable pregnancy
