

The Turner Family

Missionaries to West Africa

July Prayer Letter 2026

Send Off Services

This past week marked our **final service with our home church, Southside Baptist Church**. It was such a special and meaningful time for our family. Our church family surrounded us with so much love, encouragement, and kindness, taking the time to celebrate and pray over us as we begin this new season. **We were also blessed this month to attend Victoria's home church, Buffalo Ridge Baptist Church, where they gave us such a sweet sendoff and were a tremendous encouragement to our family.** We are incredibly grateful for the years of friendship, support, and spiritual growth we've experienced through these church families. Their generosity, prayers, and love have touched our hearts deeply, and we will always cherish the memories and the impact they have had on our lives.

Leaving Next Week!

Our departure is quickly approaching—we **leave for Africa in just 9 days** on August 11! These final days are filled with finishing the last bit of packing, attending a couple of final meetings, and soaking in every moment before we go. It's hard to believe this long-awaited journey is almost here, and we are so excited to begin this new chapter of serving in Africa. As we prepare to leave, **we would appreciate your prayers for safe travels, a smooth transition, and for God's peace and guidance as our family settles into our new home and ministry.** Thank you for walking alongside us and covering us in prayer during this exciting season!

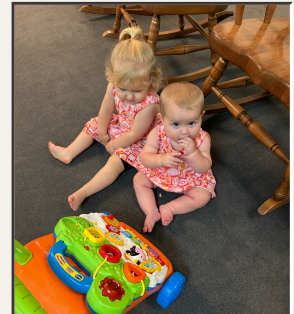

**Your missionaries,
The Turners to West Africa**

Praises:
